BAND CAMP PRECAUTIONS AND PROCEDURES:

We will continue to adhere to all current CDC and PA Dept. of Health Guidelines

Please read ALL of the following statements before attending your first rehearsal.

- 1) Please eat before you arrive for rehearsal. Please do not come on an empty stomach!
- 2) Remember to wear light colors, wear sneakers, bring sunscreen & drink lots of water.
- 3) Water bottles will be provided for each band member and filling stations will be available inside and outside throughout band camp.
- 4) You must bring your own snacks to rehearsal. The Friends of Music will NOT be providing any meals or running a snack bar again during band camp this year. However, there will be some delightful surprises along the way.
- 5) You will not share any equipment during band camp or throughout the season. You will be assigned your own equipment. i.e. flags, drum sticks, mallets, etc.
- 6) During band camp you must take everything (including your instrument) home each day. You will have ample time to practice and review as per the schedule above. Color guard equipment, drumline, pit equipment, and the large instruments will be exempt but should be put away properly after each rehearsal.
- 7) If you haven't mailed them already, please bring and submit all documents to *Mr. Cameron* at your first rehearsal. Medical forms are mandatory for your protection!

All relevant information (including music) and all necessary documents can be found on our website at www.conneautareamusic.org.
