

# MR. CAMERON'S CLASSROOM RULES

*“We will strive for absolute excellence and settle for nothing less!”*

\*\*\* **ALWAYS be prepared!** \*\*\*

1. Mr. Cameron is ALWAYS right. For the good of all and the maintenance of order! However, when in doubt... ASK!
2. Be attentive and don't talk during class or rehearsal. Speak only when you're called upon-- no exceptions! *Talking will simply not be tolerated during classes or rehearsals.* Cell Phones will also not be tolerated during any rehearsals – as per school code! There is a time and place for everything. Make sure you separate *our time* to work from *your time* to have fun! Let's have fun “working!”
3. You should have nothing in your mouth except air, your mouthpiece and/or a song. No candy, gum or food - NONE! (however, water bottles are permitted!)
4. ALWAYS HAVE A PENCIL. (at least 1 per folder please!)
5. No pass, no permission. Don't be late! There will be no second chances this year! You will be written up and your grade will be affected. Classes start on time. Bands will have 3 *minutes* after the bell to set-up and be ready for warm-ups! You must have a signed pass from your “destination” teacher in order to leave the room. (*Passes will only be granted for emergencies only; if it's not – don't even ask!*)
6. If you use something, put it back. Not “close” to where you got it.... exactly where it belongs! Everything has a home in the music dept. suite... so put it where it belongs! FYI – Repeat offenders will “*stay after class*” to clean up after everyone!
7. If you break something tell Mr. Cameron immediately. (*without exception!*) Honesty with integrity will ALWAYS be the best policy!
8. If *it* (phones, iPads, instruments, writing utensil, etc.) is not yours, do NOT touch it. Use common sense and stay out of trouble! (*This includes my rehearsal chair(s)!*)
9. ALWAYS make a difference!!! If you do it, give it your best. Otherwise... what is the point? Remember there is no “I” in TEAM!
10. **DO NOT ENTER MR. CAMERON'S OFFICE &/or the Music Library.** No one is permitted to enter either without permission! All other areas are also off limits without permission! *NO ONE is to just ‘hang out’ at any time for any reason!*

**ALSO - we will stay in the ‘department’ until dismissal time – no one should be around the corner in the hallway by the restrooms!**

**“PRIDE MAKES EXCUSES... HUMILITY MAKES ADJUSTMENTS!”**

*"No student has the right to interfere with or disrupt the educational opportunities of his/her fellow students!"*
